Repair Process Outline for iPads

Process: If you have a damaged iPad, we will handle all of the heavy work for you. Simply bring us your iPad, we will examine it, and then we will get in touch with Apple to have your iPad either repaired or replaced.

Pricing: Please see the following link from Apple regarding pricing. In addition to any repair costs by Apple, a \$75.00 fee will also be added.

Click [here](#) for pricing information from Apple. If you are unsure of your iPad make and model, please reach out and we will be more than happy to help you.

Warranty: All repairs done through Apple will come with a 90-day warranty that excludes accidental damage.

*Eligibility for Repair is completely up to Apple's discretion. Should the iPad have other damage not mentioned such as liquid damage or firmware/activation locks, a re-quote or ineligibility for repair may occur.

*Additionally, Find my iPad must be turned off prior to repair.
